

CNC Lathe Capabilities

For over **30 years**, Hercus's CNC Lathe Services has built a reputation of providing quality products, whether it's in a "Production Run" situation, or a "One Off" component.

Currently, Hercus has the following CNC Lathes capabilities:

Goodway GLS200 with Bar Feeder - Swing 460mm x 500mm between centres
Swing over saddle – 380mm

Okuma LSN – Swing 540mm x 1250mm between centres
Swing over saddle – 300mm

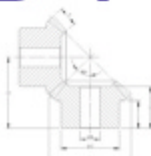

To further enhance our CNC Lathe CAPABILITIES, we use **SOLIDWORKS** and **FEATURECAM** for all our CAD/CAM needs.

Please visit www.hercus.com.au where you can see the full range of Hercus Services and Transmission Products available.

You can also "Request a Visit" from a Hercus Representative.
